

DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF EMERGENCY AND SECOND PROPOSED RULEMAKING

The Director of the Department of Health Care Finance (DHCF or the Department), pursuant to the authority set forth in An Act to enable the District of Columbia (District) to receive federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes approved December 27, 1967 (81 Stat.774; D.C. Official Code § 1-307.02 (2014 Repl.)), and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2012 Repl.)), hereby gives notice of the intent to adopt, on an emergency basis, a new Chapter 95, entitled "Medicaid Eligibility" of Title 29 of the District of Columbia Municipal Regulations (DCMR).

These emergency and proposed rules will reorganize the District's eligibility policies and procedures in accordance with the Patient Protection and Affordable Care Act of 2010, approved March 23, 2010 (Pub. L. No. 111-148, 124 Stat 119), as amended, and supplemented by the Health Care and Education Reconciliation Act of 2010, approved January 5, 2010 (Pub. L. No. 111-152, 124 Stat. 1029) (codified as amended in scattered sections of 42 U.S.C.) (collectively referred to as the Affordable Care Act) (ACA), and related regulations.

DHCF is the single state agency for the administration of the State Medicaid program under Title XIX of the Social Security Act and CHIP under Title XXI of the Social Security Act in the District. As the single state agency, DHCF is also responsible for supervising and administering the District of Columbia State Plan (State Plan) for Medical Assistance pursuant to 42 U.S.C. §§ 1396 *et seq.*, and amendments thereto. DHCF shall ensure that the State Plan establishes standards that govern DHCF, or its designee, in the administration of the District's Medicaid program.

These emergency and proposed rules correspond to amendments to the District of Columbia State Plan for Medical Assistance (State Plan), which require approval by the Council of the District of Columbia (Council) and the U.S. Department of Health and Human Services, Centers for Medicaid and Medicare Services (CMS). The corresponding State Plan amendments (SPA) have been approved by the Council through the Fiscal Year 2013 Budget Support Act of 2013, effective date December 24, 2013 (D.C. Law 20-61; 60 DCR 12472 (September 6, 2013)) and by CMS. A Notice of Proposed Rulemaking was published in the *D.C. Register* on October 31, 2014 at 61 DCR 011440. Comments were received and substantive changes were made to Section 9505 governing non-financial eligibility verification factors for this second proposed rulemaking.

This emergency rulemaking is necessitated by the immediate need to ensure that Medicaid-eligible District residents receive Medicaid coverage as quickly as possible. An outdated paper application process and outdated eligibility categories within existing policies and procedures create unnecessary barriers to Medicaid coverage. Conversely, under these emergency and proposed rules, District residents will be able to apply for health care coverage using a single, streamlined application which may be submitted online, by telephone, through the mail, or in-

person. Eligibility will be verified primarily through self-attestation and electronic data accessed through state, federal and private data sources. The implementation of streamlined eligibility and enrollment processes under these emergency and proposed rules will encourage real-time eligibility and enrollment in Medicaid; enable the application of eligibility verification policies more consistently and accurately; improve application processing times; and reduce administrative costs. Accordingly, emergency action is necessary for the immediate preservation of the health, safety and welfare of Medicaid-eligible District residents.

These emergency and proposed rules were adopted on February 10, 2015 and became effective on that date. The emergency rules will remain in effect for one hundred and twenty (120) days or until June 10, 2015, unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*. The Director also gives notice of the intent to take final rulemaking action to adopt these emergency and proposed rules not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

Title 29, PUBLIC WELFARE, of the DCMR is amended as follows:
