HEALTHY ASIAN AMERICANS & PACIFIC ISLANDERS IN DC

Healthy Asian Americans & Pacific Islanders in DC (HAAPIDC) is an initiative aimed at improving the quality of life of DC's AAPIs. HAAPIDC will increase the availability of culturally & linquisitically appropriate information on healthy living to DC's AAPI residents. The information provided will be on health conditions and risk factors that disproportionately affect AAPIs as a whole and specific AAPI ethnic groups.
