December 18, 2014

Norman M. Glasgow, Jr.  
Holland & Knight LLP  
800 17<sup>th</sup> Street, N.W.- Suite 1100  
Washington, DC 20006

Re: 625 H Street NE- Petco

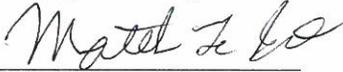

Dear Mr. Glasgow-

The purpose of this letter is to confirm that the zoning for above-referenced property allows the same to be utilized for the retail sale of pet food, pet supplies, live tropical fish, live animals (e.g. hamsters and guinea pigs), birds and reptiles (e.g. turtles and iguanas), pet grooming and pet training services and veterinary services will be conducted within the confines of the store.

The veterinary services are provided by a licensed veterinarian who typically visits each store once or twice a month. The services are provided over a two to three hour period and limited to vaccinations (like rabies and distemper), flea and tick prevention, and question and answer sessions; there are no medical procedures of any kind performed on the Premises and there are no overnight stays. In addition there is now an additional one dollar charge to each service rendered to cover the separate disposal of any medical waste which is taken away by the visiting veterinarian. These services are preformed by licensed veterinarians who belong to a nationwide group called Luv My Pet, Inc. There may be members in your community. Please see attached brochure for the veterinary services offered in a typical Petco store.

Grooming services are offered in a grooming section within the store which is approximately 400 square feet. Grooming services are primarily by appointment and completed during scheduled store hours; no overnight stays are permitted in our stores.

If you have any questions please do not hesitate to call.

Sincerely,   
Matthew Le Grant  
Zoning Administrator
